

Hot Meal Delivery Service: Harrogate Food Angels

Harrogate Food Angels was founded in 2012. The closure of the local meals on wheels service left a real gap and we wanted to respond to local demand. Our team of dedicated volunteers now deliver hundreds of nutritious homemade meals every week.

Diet and nutrition are important at any stage of life but in later years it is even more essential that you eat well. If you are unable to prepare hot meals for yourself, this can have an adverse effect on your health.

Our catering team are dedicated to creating a variety of nutritious, filling meals, using fresh ingredients and can cater for any specific dietary requirements.

As well as ensuring you have a hot, fresh meal every day, our Food Angels also provide much needed social interaction. They are always happy to have a chat and make sure you are safe and well.
