

What a fantastic week of celebrations at The Cuttings! Our street party was a huge success and tenants were able to enjoy a range of activities. A big shout out to The Duchy Belles, DJ Sean Renfrew, The Songbirds and Harrogate Spa Town Ukes for their entertainment. Sue made our excellent Jubilee cake and the little knitted Queen was crafted by our housekeeper, Christine. Thanks all who came and supported and keep a lookout for future events!

Outstanding Care & Support

There's only one way to celebrate the Jubilee at Heath Lodge... In style! Residents dressed up in the best colours and posed for photographs with jubilee themed props! This was followed by a delicious afternoon tea and even joined folks at The Cuttings to enjoy the entertainment. Many of the residents can recall the Coronation and enjoyed celebrating 70 years of wonderful memories of the Queen's life and anything is worth celebrating when there's a reason to have cake!
